

## CHANGES MADE

# Aptos Tutor Replaces Gobel In Christmas Play Lead

Changes for the cast for the Hartnell college-community playhouse television production, "The Case of Humanity vs. Pontius Pilate," have been announced by Mr. Hal Ulrici, director.

Max Gobel, Watsonville high school drama instructor, has withdrawn from the role of defense attorney because of a serious illness in his family. His replacement is Ray Coritas, recreation director and elementary teacher at Aptos. This is one of the lead roles in the production.

Coritas will match wits with George Brown, Salinas student, who plays the role of prosecutor. The jury, composed of a group of prominent local people, will be announced soon.

The story is unique in that it is based on the sentencing of Christ by Pontius Pilate 2,000 years ago. In the show, Pilate, played by Richard Brown, returns to ask the people to reverse the decision of Christianity in what he feels is his wrongful condemnation for the sentencing of the Saviour. Pilate claims he was an innocent victim of circumstances, and that there would have been a civil war if he had not sentenced Christ to death. He points out that not one of Jesus' disciples made a plea for the Saviour's life.

Time of the show is 2:30 p.m., December 22 on KSBW-TV, channel 8.

## Hartnell Ski Club Plans First Trip

Hartnell Ski club is planning on leaving for its first all-ski week end at 4:30 a.m. Dec. 27. The group will go to Longhorn lodge which is 12 miles from the town at Dodge Ridge. A chalet will be supplied for the club. It has two large kitchens, and two floors. A sexual segregation room is also available for the recreation of the members.

Prices include \$2 for membership fees, \$2 for food and a \$1 deposit on reservations. The group will stay until Dec. 29.

Members planning to make the trip include Sharon Corea, Wayne Handley, Joe Amaral, Allen Plake, Tom Monnelly, Kay Reid, Joan Martella, John Mills, John Moore, and Vic Scotty. Approximately 30 members will go.

## AWS Sponsors Yule Assembly And Decorations

The AWS is planning the annual Christmas assembly to be held Dec. 20 at 11 a.m.

Entertainment will include Mrs. Dorothy Middaugh's modern dance class, Mr. Lorell McCann's orchestra, Staten Johnson singing a medley of Christmas carols, Mr. Vahe Aslanian's Madrigals and choir, and Santa Claus with special gifts for special people. Santa Claus' helpers will give out candy canes at the beginning of the assembly.

Janice Totten is in charge of the decorations and the AWS is working very hard to bring Christmas spirit to Hartnell. This assembly

# College Choir Will Perform At St. Paul's Episcopal Church

Sixteen members of Hartnell college brass choir will accompany the college choir during its annual Christmas concert at 8:15 p.m. Wednesday at St. Paul's Episcopal church.

Members of the brass choir include: Donald Cowan, Richard Dolan, Mack Gibbs, Verna Lipska and James Williamson, trumpets; Roy Bayford, baritone; Edwin Hedgpeth, bass;

Vincent Holmes, French horns; Rudy Garcia, Jerry Minney and Ronald Pia, trombones; Joyce Thompson and Barbara Alinio, violin; Lorell McCann, viola; Richard McCann, cello.

Most of the songs to be featured by the college choir were composed by Giovanni and Andrea Gabrieli of the 16th century Venetian school of composers, according to Mr. Vahe Aslanian, Hartnell choir director. Many of the motets and instrumental compositions of Giovanni Gabrieli, found in the books of Sacrae Symphoniae, published in 1597 and 1615, were written for civic and religious ceremonies in Venice.

With brass instruments and organ, this type of concert has been celebrated since the early 16th century at St. Mark's cathedral in Venice, Italy.

Fred Beidleman, interim organist-choirmaster at St. Paul's, will play with the Hartnell choir for the Christmas concert. A native of Pennsylvania, the Pacific Grove resident received his bachelor's and master's degrees from Columbia university. He has taught violin, piano, organ, music theory, history and appreciation in New York City, University of Illinois, University of North Dakota, College of Puget Sound and San Diego State college.

### Football Players Receive Awards

Nineteen Hartnell football players will receive block and jacket awards during the pep rally this morning. Three other players will be given the block "H" award.

Receiving the jackets will be Ron Leonti, Hal Turner, Merwin Kehl, Roger Anderson, Charles Elliott, Ruben Lopez, Dick Rohrke, Gary Harris, Val Marciel, Joe Bass, Wayne Handley, Dick Hardy, Bob Cabanyog, Jim Stireman, Al Machado, Ken Blanton, Jim Mastin, Julian Aguilar and Ron Garten.

Milton Mau, Bill Beretta and Gene White will receive letters.

### Hartnell Class Rings On Sale in Bookstore

Hartnell college class rings are now on sale in the bookstore. Prices range from \$19 to \$23, and it takes from three to five weeks for the rings to arrive after they have been ordered.

So far, seventeen rings have been sold. Blue, red and black onyx stones are available.

### WAA to Sponsor After-Game Dance

The Women's Athletic Association is sponsoring a dance following tonight's Hartnell-San Jose frosh cage clash.

Music will be by high-fidelity records. Refreshments will be served and a 25-cent charge will be made.

## ASB Card Refund Plan Approved; Cahill Named Soph Representative

The commission recently approved a new ASB card refund schedule policy. This policy provides that the value of yearly student body cards depreciates \$1 a week the first two weeks and 50 cents per week thereafter.

After the eighth week, however, the value of the card will drop to \$6.50 and will remain at that position until the end of the fall semester. The fall semester and spring semester cards will depreciate in the same manner except that there will be no refund on either card after the sixth week.

Paul Cahill was chosen sophomore representative from among four candidates by the student commission. Cahill is an engineering major.

#### Commission Granted

The commission approved a resolution awarding 10 per cent of the advertising income for the college year 1957-58 to Charles Wheelus, advertising manager of the Panther Sentinel.

The commission also voted to support the Hartnell college dance policy. The policy is as follows:

1. No person shall be allowed admittance to any Hartnell college dance unless he is a student body card holder or alumnus card holder, or a guest of a student body card holder or alumnus card holder of Hartnell college.

#### Trousers Banned

2. No person who is wearing

frisco or blue jeans shall be allowed admittance to any Hartnell college dance, unless it is a costume dance.

3. Organizations sponsoring school dances reserve the right to refuse admittance to anyone dressed in a slovenly manner.

4. Organizations shall honor only

## Madrigal Singers Add Concerts

Christmas program schedule for Hartnell college's Madrigal singers has been lengthened to include two other appearances, Mr. Vahe Aslanian, choir director, announces.

The picked singers are to perform for the local Lions club Tuesday and in the college assembly Friday. These are in addition to an earlier announcement.

One member of the elite group of 16 singers who has not been listed earlier is a tenor, Doyle Pruitt.

## Bid Sale Closes For Winter Ball This Afternoon

Today is the last day the bids for Hartnell's annual Winter ball will be on sale. They are available in the student finance office for \$6 a couple.

"Mistletoe Magic" was the theme chosen for the 1957 event of the Christmas social season. The theme was submitted by Janice Totten and Rosalee Mascovich who won \$3 each for their efforts. The ball is to be held Dec. 21 from 9 p.m. to 1 a.m. at the Riverside hotel in Santa Cruz. The bid price includes a roast beef dinner. Dick Gularte's orchestra will play. Cocktail dresses will be worn.

Committee heads for the ball are Joan Martella, theme and bids; Janice Baird, decorations; and Wayne Handley, orchestra.

## Test Scheduled By Dr. Olson

The makeup orientation test will be given Tuesday. Conducted in the Little theatre room by Dr. Lionel Olson, it will be a repeat of the American Council of Education psychological examination that was originally given in October. The exam will be given at noon, and students are urged to be prompt.

## EDITORIALS

## 1958 Grid Prospects Bright

Throughout the football season the Panthers have certainly had their ups and downs. They lost their first five games, won their next three, and lost to MPC by a touchdown. It is perhaps significant that all victories were won at home. One of the victories was, of course, the San Jose game; the Panthers certainly gave the student body members and the local fans a tremendous experience, the kind of game you see about once in five seasons—if you're lucky.

Today, during the assembly, the players will receive block and jacket awards. A great many of the players receiving their awards, including the entire first string backfield, are eligible to play next year. This fact augurs a fine team for next season. Attending the assembly in force will be a fine way of showing our appreciation to the team that may very well be one of the best next season.

## STORE CLERKS OFTEN TARDY

The student store is one of the most useful organizations on this campus. Without its services we would be unable to function as students as well as we do, relatively speaking.

However, we feel that the store has not lived up to its potential service. It is there to serve the students and yet many times the store has posted business hours and the clerks would show up 20 minutes or an hour late—or not show up at all.

We have gone to the store at the stated closing time to buy supplies (a bluebook, to be exact), and had to argue to get the clerk to delay a minute or so to get the bluebook and take the nickel. We do not feel that the store serves the students very efficiently in regard to the above facts. Fred Olin, student store commissioner, take note!

Crucial Basket  
By Bob Flores  
Gives Harts Win

A layup shot by Bob Flores in the final two seconds gave the Hartnell Panthers a 62-60 win over the College of San Mateo at San Mateo Tuesday night. Flores' shot came after he took a pass from Phil Netto.

The Panthers took an early lead and were ahead 16-7 at the close of the first quarter. They held a 16-point edge during the second stanza, and left the floor at half-time with a 36-28 lead. San Mateo, using a pressing defense, tied the score at 60-all with less than two minutes to play.

Jim Mastin led the Hartnell scoring with 17 points. Flores had 13 and Bill Loveless 14. The Panthers played without Don Bush who was ill.

Sophomores Desiring  
Graduation in June  
Should See Advisors

Sophomores who can qualify for associate of arts degree at the end of 1957-58 college year are to fill out applications for graduation with counselors during appointment registration dates.

Students are reminded of certain required subjects which must be completed before obtaining an A.A. degree. Students must have two units in physical education, a four semester course; Political Science 20, hygiene and safety, and orientation. There are other requirements for students planning to transfer to a four-year college. This information should be obtained from your counselor.

Dramatists Give  
Special Program

The Hartnell drama group presented a psychological drama for the 20th district P.T.A. Tuesday, from 9 p.m. to 1 a.m. in the Santa Lucia Inn lounge.

It was staged through interpretive reading, a new experimental type of drama for 100 social workers, recreational directors, psychologists and counselors.

The performance is a child problem play resulting from a mother's protective attitude toward her child.

Following the show, the group discussed the problem of the play.

The Hartnell students participating in the play were B. J. Everton, Robert Smith, Elsie De Puñ, Mrs. Barbara Cowles, and her daughter, Connie.

Steve James Writes  
College Fight Song

A new fight song was introduced at Hartnell-MPC football game. The song was played after each touchdown, and helped with the pep at the game.

A big vote of thanks is due Stephen James who wrote the words for the song and to Mr. Robert Lee for setting the words to music. The song was chosen from about 10 entries, and it was judged on its originality, rhythm and aptness as a fight song.

Honor Society to Hold  
Candy and Cookie Sale

Alpha Gamma Sigma, Hartnell's honor society, will hold a candy, cookie and cake sale Wednesday from 11 a.m. until noon in the cafeteria, according to Sandra Lim, president.

Proceeds from the sale will be used to replace the damaged figure of Athena on the homecoming queen trophy.

The club is considering sponsoring a dance during the basketball season.

## Registration Starts

Registration for the spring semester at Hartnell college is under way. "Old" students should register with their counselors in the main office within two weeks after the Christmas vacation. Jan. 21-31 are the dates for registration of "new" students, according to Mr. Clifford Swanson, admissions director.

A&M Students  
Like Carpentry

By MIKE ALIOTO

Carpentry has been one of the most interesting courses for students of Hartnell A. and M., according to Mr. Art Carlsen, shop instructor. Mr. Carlsen said he is just as enthusiastic about student projects now as he was in his first year of teaching 18 years ago.

Students and their projects at the shop are: modern desk by David Kennard of Watsonville; walnut bed by Jess Miranda, Gilroy; lockers for the welding shop, Floyd Hayden of Salinas; racing ski boat by Harold Jackson, also from Salinas.

Other items being completed are a Japanese oak bed, Monti Carpenter of Watsonville; drafting table, Humberto Mendez, Salinas; louvered doors, Mike Alioto. Jack Alioto has just finished a solid walnut chest of drawers, while Bill Davlin and Gerald Ferreira are putting the finishing touches on a dining room set.

Hartnell college is offering this course as part of its extended day programs.

## Music Has Given Us Universal Language

Music has been called a universal language in that it appeals and touches the soul and human emotions of the high and the humble, regardless of his age, beliefs, background or geographical location. Barring individual likes and dislikes, imagine living in a world where the medium of communication is as well expressed and commonly understood and shared as this art!

At Hartnell, music is taught by three instructors, Mr. Lorell McCann, Mr. Vahe Aslanian and Mr. Robert Lee.

Mr. McCann is in charge of instrumental music, conducting, music appreciation and music theory instruction. He attended Boston Conservatory of Music and received his bachelor of arts degree from San Jose State college. He has been in the Salinas school system for a quarter of a century, including five years in the high school music department. He is a violinist, composer and conductor, and for many years has been chairman of the composer's section of the western division, Music Educator's Association.

### Mr. Aslanian Teaches Piano

Instructor in music history and theory, Mr. Aslanian is in charge of piano and vocal work. He obtained his bachelor's degree from Boston university and his master's degree from Claremont graduate school. He took additional graduate courses at the University of Southern California and Stanford university.

Before joining Hartnell's music department in 1950, Mr. Aslanian was an instructor on the San Bernardino city schools' music staff for four years. He is president of the Northern California Music Educator's Association.

Mr. Lee is a new addition to the staff of Hartnell's music department. He teaches music fundamentals, and fundamentals of speech and musicianship; he also conducts and directs the marching and dance bands. He received his bachelor of arts degree from the University of California and his master's degree from San Francisco State college.

### Taught at Lassen J.C.

Before joining the college's faculty rank this fall, Mr. Lee taught at St. Helena high school for ten years and later at Lassen high school and junior college for two years.

In his college years, he was a student leader of the University of California band. He also did band work for three years in the army.

With these instructors' musical

background and experience, and because the over-all size of music classes is small, the students are assured of well-rounded individual instruction which will prepare them for additional study at any state college or university.

### Instruments Provided

The students are further aided by the expensive instruments which are provided free by the college. An estimated \$8,000 of sheet music and \$6,000 of instruments, not including five pianos, are available in the department.

Some of the many music students who had their start in the department and who followed through in the music field, include Nathan Scott, Vernon Leidig, Major Short, Irvin Hall and Julie Henderson.

Scott is an orchestrator for studios in Hollywood who is probably best known for his "Dragnet" theme. Leidig is on the music staff of Los Angeles State college. Short is with a group called "The Red Heads," appearing on television with the Ed Sullivan, Arthur Godfrey and other shows. Hall is now a member of symphonic organization in Riverside as a flutist. Miss Henderson is a contralto who has sung 42 times in New York's Carnegie hall.

### Art Club Will Hold Sale of Paintings

The Art club will hold its annual Christmas art sale Monday and Tuesday in the art room.

The paintings by Hartnell art students will be on display today in the art wing. This sale is open to the public.

## Musicians Get Individual Help

■ Gary Horsley, Hartnell musician, gets some individual advice from Mr. Robert Lee, band director. Such personal help is one of the strong arguments for small community colleges.

## WAC's Defeat Hartnell Women

The Fort Ord WAC's defeated the Hartnell women's basketball team, 37-19, in the Women's gymnasium last week.

The players and their scores were, Diane Hayes, six points; Loretta Phelps, captain, four points; Jean Hamer, one point; Kay Bourgerie, four points; Ramona Encilar, four points.

Guards were Mary Martinez, Norma Smith, Barbara Alinio, Verlie Rief, Rosalie Reyes, Beth Plesche, Ethyl Bouffe and Jan Kelly.

With Mrs. Dorothy Middaugh as coach, the referees were Miss June Handley, dean of girls, and Isabelle McKay.

## Science Class Visits Asilomar Tide Pools

Mr. W. J. Robinson's natural science class visited the tide pools at Asilomar Tuesday. Thirty-two students made the trip.

The other section of the class will go to Carmel Point Tuesday with Dr. Howard Feder's zoology class. The three groups are observing interrelationship of plants and animals.

## Club Will Hold Toy Drive Here

The Lions club toy drive, which has been held annually for the past ten years, is being held again at Hartnell and all other schools in the Salinas area.

Ald and broken toys are collected by the Lions club and are repaired by the inmates at Soledad prison. After the toys are repaired, the Lions club distributes them to the needy families in this area. The club works in conjunction with the Elks club which distributes food to needy families.

## Christmas Show Planned by Club

The Education club met recently and planned for a Christmas program for the youngsters at juvenile hall Thursday. Judy Jensen is the over-all chairman of the event.

A skit of the night before Christmas will include members of the entire club. The skit will be narrated by Laurietta Parsh. Janis Totten and Nancy Longworth will do a pantomime.

# Harts Host San Jose Frosh Tonight

## Porterville Five Visits Salinas Tomorrow; Conference Tournament Starts Thursday

By WAYNE UMBERTIS

The Hartnell Panthers open their home season tonight when they play host to the San Jose State Frosh. Little is known of the San Jose club but the Harts should be in for a stiff test.

Continuing their home stand the Panthers will entertain Porterville J.C. tomorrow night. Holding a previous win over the Pirates from last week, Hartnell should find the going a little easier in this one.

Jim Mastin continues to lead the Panthers in the scoring department. However, several other candidates have shown up well and could take over starting berths. Coach G. Ed Adams has been impressed with the showing of Bob Flores and Frank Padilla. Both of them started in last week's win over Reedley.

Adams juggled his lineup for the Reedley game by benching Norm Steinbach and Bill Loveless for lack of hustle. If these two don't open this week the starting lineup will consist of Don Bush and Padilla at guards, Bob Flores and Ron Ross at forwards, and Mastin at center.

Next Thursday the Panthers travel to Vallejo where they will participate in the Coast Conference tournament. Meeting member league schools as well as guest schools, Allan Hancock college and Reedley, the Harts are hopeful of reaching the finals.

Hancock, the defending state champion, will rule as favorites, with San Jose, Vallejo, and East Contra Costa expected to make strong showings.

## Intramural Cage Tilts Under Way

Coach Jess Regli and his intramural basketballers got under way Monday in the men's gym. Throughout the basketball season, two of the teams will play each day in the men's gym.

The teams' names are "Tinklers," managed by William Juster of Salinas; "Droopers," managed by Lupe Correa of Salinas; "Sconges," managed by Masaru Nagai of Watsonville; "Grips," managed by Ruben Lopez of San Juan; "Blackhawks," managed by Gerald McGowan of Watsonville; "Gymgems," managed by Wilburn Woods of San Ardo; "Sweatsox," managed by Gary Soper of Watsonville and the "Braves."

## Footballers Split Last Two Games

The Hartnell Panthers closed out their gridiron season with a win and a loss, defeating Allan Hancock, 32-13, and losing to Monterey Peninsula college, 21-14.

Hartnell held a 26-6 lead at halftime in the Hancock game, and coasted to victory. The traditional Thanksgiving day contest saw Monterey take a 7-0 lead early in the game. The Panthers tied the score twice, and the game was not decided until the Lobos intercepted a Hartnell pass late in the fourth quarter.

## Hartnell Cagers Win Two Games; Lose to Stockton

By SANTIAGO FLORES

The traveling Panther hoopsters made it a 2-1 slate over the week end, overwhelming the Porterville and the Reedley fives by 86-73 and 48-35 scores, but dropping a shaky 56-53 margin to a Stockton quintet.

Enjoying an eight-point first-quarter lead, the Panthers increased it to 20 points after lemon time and went on to beat Porterville.

Jim Mastin was good for 16 points followed by Bob Flores and Bill Loveless with 14 points each and Phil Netto with 12 points for Hartnell. Porterville's guard, Tiny Hill, made the most score in the game with 28 points. The Panthers' lead at halftime, 45-33.

### Basket Tricky

Moving to Reedley for the invitational tournew, a Hartnell quintet fell victim of a tricky basket as a Stockton five bested Hartnell in all four quarters of the contest.

A belated Hartnell drive late in the second half, getting as close as one point to Stockton's 50-49 lead, failed to materialize. Jim Mastin and Bob Flores were high scorers for Hartnell with 15 and 11 points respectively.

In its encounter against Reedley, the Panther quintet had to salvage an early first half deficit of 11-0 before coasting to the lead and the win.

Jim Mastin again scored the most for the Hartnell cagers with 19 points followed by teammate Frank Padilla with 14 points. The half-time score was in Hartnell's favor, 24-19.

The win over Reedley placed Hartnell in third spot behind East Contra Costa which won the championship game over Stockton. Host Reedley placed last.

## Hoop Clinic Is Held For PE Instructors

A basketball clinic for physical education teachers in Monterey county took place at Hartnell college Women's gymnasium recently.

Students from Hartnell and MPC were used for practice drills and, to end the clinic, Hartnell played a two-quarter game against MPC which MPC won, 14-10.

Hartnell college women who played were: Rebecca Soxler, Beth Pleache, Barbara Alinio, Verlie Reif, Jean Hamer, Norma Smith and Diane Hayes, who made the most points.

## It "Ain't" Legal

Bill Loveless, Hartnell's 6-5 center, is caught by the tell-tale camera with a firm grip on the hoop during a recent practice. Loveless insists it's an optical illusion.

## Stireman Finishes Season As Top Ground Gainer for Hartnell Panthers

Fullback Jim Stireman finished the 1957 football season as the top Panther ground gainer, according to student statistician Bob Stolic. Stireman gained a total of 601 net yards for an impressive 5.3 average on 113 attempts. Hal Turner trailed with 420 yards gained on 80 carries. Bob Cabanyog was third with 327 yards net in the rushing department.

Wayne Handley topped the passing statistics, completing 17 of 38 passes for 305 yards. Ron Leonti trailed with 217 yards on 11 completions.

Joe Bass hauled in eight passes for 196 yards to lead the Panther

receivers. Average gain per toss was 24.5 yards. The other starting wingman, Jim Zachary, was on the receiving end on seven occasions for 126 yards. Zachary was injured midway through the season.

Turner led the kickoff returns, returning the pigskin for 136 yards on eight attempts for a 17.2 average. Cabanyog netted 110 yards on five tries. The latter tops the punt returns; he carried the ball for 27 yards on three attempts.

Stireman also copped scoring honors, tallying seven touchdowns and four extra points for a total of 46 points for the season.
